

Osage Beach Fire Protection District
"Our Family Protecting Your Family Because We Care"

**DOCK PERMIT REQUIREMENTS
UPON LISTING A RESIDENCE CONTAINING A DOCK**

- Application for permit must be submitted to Fire District complete and accurate and fees paid.
- Fire District will issue a permit number which is good for one year from date of application. One reinspection is included in the fee. An additional reinspection will be charged a fee of \$25.00 per inspection.
- Fire District Inspector will inspect dock for code compliancy. Any failures will be noted and mailed to the Property Owner and the Realtor.
- After improvement of any previous failures the Inspector shall be notified to conduct a reinspection of the dock.
- If the permit shall expire during this time, a renewal of permit must be applied for and a \$25.00 fee paid to extend the permit for another year.
- Once the said dock has passed the inspection for code compliancy, the Fire District will notify both the Property Owner, the Realtor and Ameren UE thus allowing for transfer of ownership of the dock.
